- (2) 3048NK2 24"x42" Shelves
- (4) 13UPK2 Posts
- (4) 5MNB Casters
- (2) Bags of Black Plastic Split Sleeves

- 1** Place Casters up open end of each Post.
- 2** Place a set of Split Sleeves on the Bottom Groove of each Post. Place a shelf over the Posts and onto the Split Sleeves. Secure in place by tapping each corner with a Rubber Mallet.
- 3** Place a set of Split Sleeves on the 3rd Groove down from the top of each Post. Place remaining shelf on Split Sleeves and secure in place.

Each half of the Split Sleeve snaps into the Groove on the Post. The bead is towards the top of the Post.
